NATURAL GAS LEAK

- Leave the area at once
 - Do not use switches, phones or flames inside the building
 - Call 911 from a safe distance
 - Go to the assembly point
 - Do not re-enter until cleared
- Gas main: outside the north end

EMERGENCY SERVICES

DIAL 911

Go to the MUSTER POINT (north-west corner, outside). If it cannot be used, go to the ALTERNATE POINT. Stay for roll call. Do not re-enter until you are told it is safe.
